

2016 MSGA Championship

Played August 22nd and 23rd, 2016

Swan Lake Resort Golf Course, Plymouth IN

The MSGA Championship is a Two-man Best Ball Match Play Tournament played over two days in each year at Swan Lake Resort Golf Course (Silver course).

The tournament is for both Member/Member and Member/Guest teams (Guests must have current USGA handicap).

Teams are placed in flights based on handicap of the two players, so teams are playing against others of similar skill levels. Handicap shots are based off the lowest handicap player in each match and are assigned where they fall on the course scorecard. Teams play five 9-Hole matches (three on Monday and two on Tuesday). A shootout of flight winners determines the overall MSGA Championship team.

The tournament entry fee is \$280 per team (\$140 each) and includes golf, cart and practice facilities. Continental breakfasts and lunches are included each day.

USGA Match Play rules apply. Scoring is 1 point for each hole won (1/2 point for halved holes) with 1 bonus point for matches won (1/2 point for halved matches).

Flight winners are the team with most total points in the five matches and advance to the Shootout round. One team is eliminated on each hole of the Shootout (chip-off used for ties). The last two teams play one extra hole before the tie-breaker is used.
