

Klinger Lake C. C. Recap: May 18, 2022

The MSGA's first tournament of the 2022 season was scheduled for May 18, 2022, at Klinger Lake C. C. in Sturgis, Michigan.

The tournament was cancelled because of weather conditions. Most players attended for lunch and were hoping for clearing weather conditions. The weather was a light drizzle for most of the morning, but a steady rain began shortly before start time and radar indicated that the rain would continue for several hours requiring the tournament to be cancelled.

The tournament was not rescheduled for a later date in 2022.
